THANK YOU TO DON MCKENZIE FOR HOSTING THIS EVENT

SPECIAL THANKS TO OUR SPONSOR:

The Pine Soil and Water Conservation District has purchased a no-till drill for rent. Contact the Pine County SWCD, for more information. (320) 216-4240 The drill will be at the field day for a demonstration.

For more information on how to "Unlock the Secrets in Your Soil," call or visit your local USDA Natural Resources Conservation Service office at 260 Morris Avenue N Hinckley, MN (320) 384-7432 ext.3 or visit: www.nrcs.usda.gov

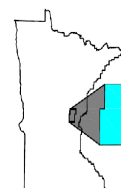

A farm is a lifelong investment, why wouldn't you take care of it to the best of your ability?"
~ Don McKenzie, landowner

Cover crops are a way to suppress weeds, increase organic matter, decrease the need for commercial fertilizers, reduce erosion and improve soil health for LIFE.
